No COMIC VALENTINE.—Saturday, St. Valentine's day, passed without incident worthy of note. If any one was indignant at the receipt of an exasperating comic valentine the fact was carefully kept from public knowledge.

BACK HOME.—Emmet Fratman was discharged from the hospital at Lexington last week cured of the smallpox and returned home Friday night, accompanied by Mrs. Fratman and baby daughter Aileen. Emmet looks like he had received a full charge of shot in the face.

DEEP SNOW.—Monday was a blustery day, with a steady fall of snow from about 8 o'clock in the morning until towards midnight. The temperature went down to zero at night, making it bitterly cold. On Tuesday the snow was drifted deep in places. Probably it was a foot deep on the level.

Geo. O. BARNES.—Rev. George O. Barnes, the famous evangelist, arrived Tuesday to begin that night a week's meeting at the Court-house. He preached at Mt. Sterling the previous week and at Winchester before that. He says he has "something of supreme importance to communicate to all up on this, most probably the last, time he will address them."

REV. GRAY ASSIGNED HERE AGAIN.—The Presbyterian Synod refused to permit Rev. W. B. Gray to accept the call to the church at Eminence, Ky., but ordered him back to the church here and at Springfield, and his congregation here is rejoicing accordingly, for they gave him up with the utmost reluctance, and he had accepted the call to Eminence only because it offered him a wider field for his activity.

FISCAL COURT.—The Fiscal Court, at the recent session, appropriated six thousand dollars to build a tower and provide a clock and bell for the same at the front entrance of the Court-house.

It is also ordered that the Court-house hereafter be not used for any except court purposes unless the consent of the County Judge thereunto is secured.

The County Attorney was directed to institute proceedings to have the Owingsville & Wyoming, the Salt Lick & White Sulphur, the Campbell & Robbins telephone companies bear jointly the expense of connecting the County Judge's office with the lines of said companies.

MR. STERLING COURT.—There was a big crowd at Mt. Sterling Monday. Gov. Beckham and four other politicians from elsewhere made speeches. There were about 1,000 cattle on the market; five car-loads of 2-year-old cattle from Cincinnati were offered. Prices were about 25c per hundred lower than on last Court day. The best cattle sold at \$4.25 to \$4.50; best beefers at \$3.50. Latham & Crouch sold twenty-seven yearlings at \$4.25.

The mule and horse market was brisk and prices high. William Warner sold a pair of mules for \$320; J. M. & J. L. Atchison sold a pair of mules for \$320 and bought two pair, selling one for \$300. Dawson Tapp sold some mules; Dr. G. W. Conner bought four at \$225 per pair and sold one mule for \$135.

No important cases had been tried up to Tuesday afternoon.

The first number of The Weekly Messenger appeared last week. It was very newsy and interesting indeed.

CONTRIBUTED.

HUBERT VREELAND FOR COMMISSIONER OF AGRICULTURE.—As thousands of readers know, the Farmers Home Journal does not often express its preferences or advise its friends and patrons in contests for political offices, but there are times when we deem it to be in our special province to speak a plain word where the interests of the farming classes of Kentucky are specially concerned, and in this connection we desire to express our heartfelt endorsement of the candidacy of Mr. Hubert Vreeland, of Jefferson county, for the Democratic nomination for Commissioner of Agriculture, Labor and Statistics.

The State Primary will be held on May 9th in every county in Kentucky, and every Democrat will doubtless feel it his duty to go to the polls and there express his preferences in the various contests for State offices. As for the other State offices, the Farmers Home Journal has no preferences to express, believing that it should have an eye only to that which is of direct interest to the farming classes.

Mr. Vreeland was formerly a representative of the Farmers Home Journal and for the past three years has been the Assistant Commissioner of Agriculture, receiving the appointment from Commissioner L. B. Nail on account of his special fitness for the duties. His service as assistant has familiarized him with all the duties of the office, and in fact has given him a knowledge of the conduct of its affairs that a new man could not acquire until after a year or two of his term had expired. Mr. Vreeland has all his life been a steadfast Democrat, always supporting actively the regular nominees of his party. He has already received the endorsement of thousands of the representative farmers in Kentucky, and it affords us a real pleasure to be able to recommend to our readers and friends such an eminently qualified and estimable candidate as Mr. Vreeland. We speak for him because we know the requirements of the office which he seeks.—Farmers Home Journal.
